

Program Associate, Pro Bono Justice (San Francisco) - Temporary

APPLICATIONS DUE JULY 28, 2019

OneJustice is an innovative and award-winning nonprofit that brings life-changing legal help to those in need by transforming the civil legal aid system. OneJustice works statewide to build the capacity of all components of California's civil legal aid system to meet the legal needs of local communities and to ensure the availability of services statewide. The organization has three core program areas: (1) Healthy Nonprofits, which ensures legal services organizations have the business and management skills needed to survive and thrive; (2) Pro Bono Justice, which expands legal services for Californians in need by developing and staffing innovative and effective pro bono projects with law schools, firms, and businesses around the state; and (3) Californians for Legal Aid, which advocates for California legal services nonprofits on federal public policy and funding issues. More information about OneJustice is available at www.OneJustice.org.

Position Description:

The Pro Bono Justice (PBJ) Program Associate plays a crucial role in ensuring the successful implementation of mobile legal clinics that expand the reach of life-changing legal services for underserved and isolated communities around the state. OneJustice's pro bono legal clinics serve over 1000 people each year in California with immigration, record change, housing, and other legal services. OneJustice is also exploring pivoting our approach to our Justice Bus Project in order to scale the project by transitioning our role from implementation of clinics to coaching partner organizations in doing so. This role may support this new shift in our clinical program, which would result in a pivot for the position to focusing on administrative support to this new program as well as building toolkits, online trainings, and crafting other coaching materials to amplify the impact of legal services organizations throughout California and beyond.

This position is a great opportunity to have a positive impact on underserved communities in California and beyond while acquiring and growing skills necessary for planning and coordinating events. This is an excellent position for an individual interested in a future in law or public policy. The Program Associate works out of our San Francisco office and reports to the Staff Attorney or Senior Staff Attorney. Travel within California is required. Participation in occasional weekend and evening mobile legal clinics is required. This is a full-time temporary role, with an expected end date in December 2019.

- If the program shifts, coordinate all logistical elements of scheduling and holding coalition-building and coaching sessions throughout California.

Community Engagement (approximately 30%)

- Conduct client outreach (in-person and over the phone) to target communities leading up to RJC and Justice Bus clinics.
- Schedule clients and help them prepare necessary documentation for each clinic.
- Create flyers and other publications to promote events, recruit volunteers, and report clinic outcomes.
- If the program shifts, create teaching materials to help partner legal services organizations build their own impactful clinical programs modeled on the Justice Bus Project.

Data Tracking (approximately 20%)

- Manage client and volunteer data for RJC and Justice Bus clinics, including working with OneJustice attorneys to track deliverables for grants that support RJC and Justice Bus clinic work.
