

TRAINED
NONPROFIT
LEADERS

The Executive Fellows program celebrated its 10th year and welcomed 24 new fellows who are now participating in redesigned online sessions, including new topics such as Best IT Practices for Remote Teams.

STRENGTHENED
THE SECTOR

Now in its third year, the Organizational Change Accelerators program fostered strategic capacity building for 16 civil justice nonprofits in the areas of research and evaluation, pro bono program management, and innovation leadership.

PROVIDED LEGAL
HELP TO THOSE
IN NEED

OneJustice conducted 70 pop-up mobile legal clinics in all corners of the state, serving 984 clients, and engaging the services of 774 pro bono volunteers.

BROUGHT
JUSTICE TO THE
CENTRAL COAST

In partnership with United Airlines, the Justice Plane completed its third trip to the Central Coast, helping 37 families with criminal record clearance and immigration options.

FUELED OUR
ADVOCACY

OneJustice staff met with 33 of the 55 California delegates to Congress and provided educational materials to the remaining 22 California delegates, explaining the importance of civil legal aid in each Member's district. Californians for Legal Aid also helped secure an increase of \$25 million in federal funding to the Legal Services Corporation.

THANK YOU!

FROM OUR CLIENTS AND VOLUNTEERS:

"OneJustice has been a blessing to me; the services that were provided will be life-changing for me! I will be free from my past hindering me from continuing to be a productive woman in my community! The care and the time given to me from OneJustice will continue to bless my life and help me to give back to others."

"This has been a highlight of my legal career. As the child of an immigrant parent, this work is very important to me, and I am happy to assist the amazing advocates and clients of OneJustice."

"OneJustice led us through some of the fundamentals that someone in leadership at a legal services program would need, including board development, human resources development, and then wrapping it up with how to better message our mission and purpose so we get support behind the work that we're doing."

"It's beautiful the work you do to help people. I hope you can continue to have the resources to provide these services. It is not easy to come up with the money to pay someone and assist with the paperwork."

"A great event for my husband and me. We were able to complete our advanced health directive that we have put off for many years—thank you, OneJustice!"

OneJustice ended FY 1819 with a slight surplus.

The gap between revenue and spending reflects a decision to accept and release over several years significant, non-renewable grants as a strategic, temporary expansion of services between FY 1718 and FY 1920.

**FY 1819 REVENUE
TOTAL: \$2,341,646**

**FY 1819 EXPENSES
